

Dear Friends,

“Betty and Veronica.” That was the answer to the question I received when I asked a young library patron “What’s your favorite thing about the library?” It’s not what I expected. Why would a girl born in 2007 be interested in two comic strip characters that first came on the scene in 1942? But that’s part of the beauty of working at the library – the unexpected.

It turns out Archie Comics – and in particular, the storylines for Betty and Veronica have evolved quite a bit in recent decades. While much of the action still involves the happenings of Riverdale High School, Betty and Veronica face more serious challenges including having parents who divorce and the moral issues of cheating in school.

Libraries have also evolved.

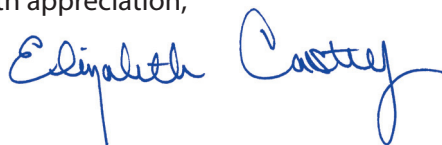

Your contributions to the King County Library System Foundation helped fund programs to reach children and teens beyond the walls of the library. With the Let’s READ! program, library events were held at 100 different sites including public parks, apartment complexes, and community centers.

This ensured that all kids, especially those who may not typically read at home, had a chance to

- Sign up for a library card
- Select a book to start their very own home library
- Attend a library program highlighting the learning objectives of STREAM – science, technology, reading, engineering, art and math

Thank you for helping make the KCLS one of the biggest, one of the busiest and one of the best library systems in the country. Your gifts of support make a difference.

With appreciation,

Elizabeth Castleberry
Executive Director
King County Library System Foundation

Your Gifts at Work | KCLS Program Support

2014 SAT Prep Course students showing off their new workbooks.

SAT Prep Courses

With your support, KCLS was able to offer 30 six-week SAT Prep courses free of charge for students throughout the library system. There was one class per cluster in the spring and one class per cluster in the fall, serving 660 students overall. The Foundation provided funding to cover the cost of the facilitators, workbooks for each student and personalized assessment before and after completing the course.

Let's READ! and Summer Learning

The Foundation is proud to support these two vital KCLS programs that encourage kids to stay active in learning all summer long. Your donations helped provide free meals, buses that bring summer school youth to the library, books to be handed out, and prizes for Summer Learning participants to make reading fun for kids of all ages.

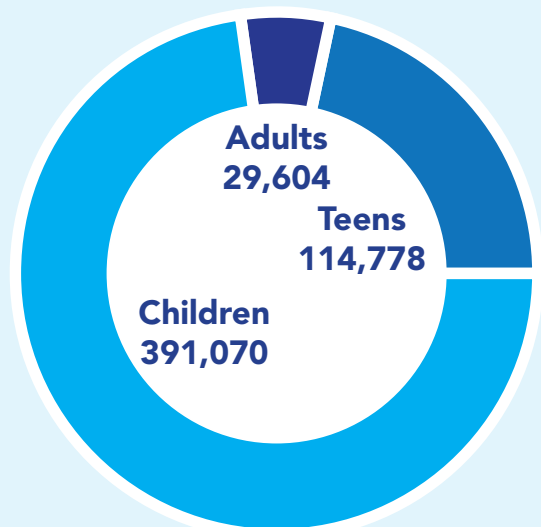

2014 Revenues

Total
\$1,220,861

The KCLS Foundation distributed more than \$875,000 in support of library programs and services, and spent \$541,665 on management and fundraising operations.

Kids Find Their Super Powers with Summer Learning

Summer is in full swing which means one thing... Summer Learning is here! KCLS offers free Summer Learning Programs for kids of all ages. Research has shown that kids who take part in summer activities that promote thinking, creativity and teamwork return to school better prepared than those who don't. That is why the KCLS Foundation is proud to support Summer Learning and its partner program, Let's READ!, with your generous donations.

This year, the Summer Learning theme is ***Every Hero Has a Story***. Kids and teens can learn about knights, robots, scientists and super heroes at one of the many Summer Learning events throughout King County. With more than 100 programs to choose from including concerts, workshops, art classes and magic shows, there is sure to be something for every passion and curiosity.

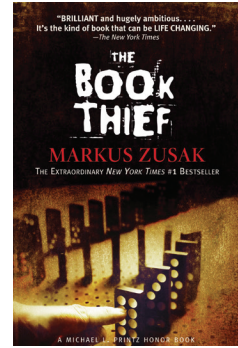

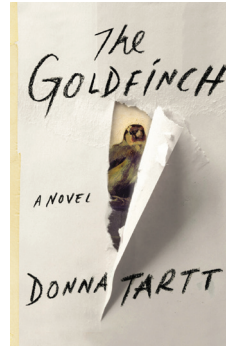

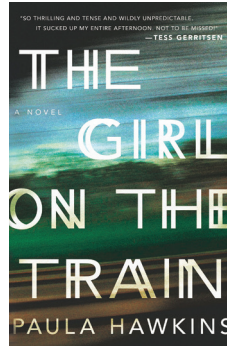

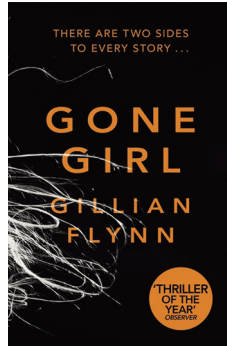

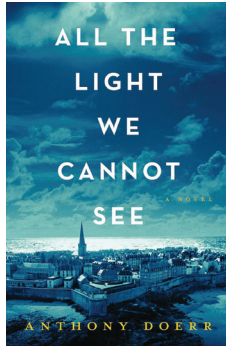

Visit kcls.org/kids/summer to learn more. If you would like to know how you or your company can support Summer Learning, please contact the Foundation office at 425.369.3448 or foundation@kcls.org.

Because of you, KCLS is able to provide free meals, books, and prizes to keep kids engaged in reading and learning while school is not in session.

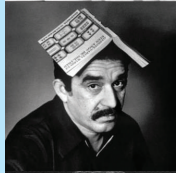

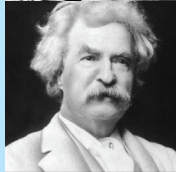

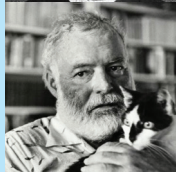

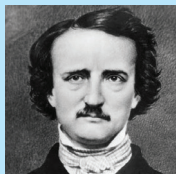

FREE eBooks!

Are you traveling and schlepping a bag of books with you? Are you buying books so you won't have to keep track of library materials while on the road? Rest easy, KCLS has you covered.

As a KCLS library card holder you can access more than 70,000 eBooks and Downloadable Audiobook titles at kcls.org/FREEeBooks. Check out books or magazines and download to your eReader– Kindle, iPad or other device.

In 2014 more than 2.4 million eBooks and Audiobooks were downloaded by library users. Join the fun and take KCLS with you on your next adventure!
