## 2019 GRATITUDE REPORT

### FUNDING THE FUTURE OF KING COUNTY LIBRARIES

Dear Foundation Friends,

Before reflecting on your amazing generosity and the many wonderful KCLS programs you funded in 2019, I think it is important to address how different 2020 has been. We are living through a global pandemic the scale of which has not been seen in the past 100 years and there is again national attention to the racial inequities present in our country; 2020 has affected us all in different ways and the year is not over yet. I would like to thank you for your continued support, which has enabled the Foundation to provide timely and much needed resources to KCLS.

### *A Letter of Thanks from the Board President*

This past year you helped fund the future of King County libraries and supported our mission to provide relevant and empowering programming for our diverse and ever-growing community. Your donations in 2019 supported 9 library programs, in all 50 KCLS libraries and additional community sites. You granted an incredible \$1.3 million to KCLS! Thank you for being one of 1,880 generous donors by giving to the KCLS Foundation.

Our gratitude report includes stories and statistics that offer an overview of the work we accomplished together last year. Your contributions support the innovative KCLS librarians as they design and deliver relevant programs for our community. Thank you for joining us in our mission to fund the future of libraries.

With appreciation,

Kris Kaminishi  
Board President  
King County Library System Foundation

**PROGRAM SUPPORT TO KCLS**

KCLS patrons of all ages can engage in hands-on learning experiences emphasizing emerging STEAM (science, technology, engineering, arts, and mathematics) concepts through ideaX. Programming materials are bundled in portable kits, allowing for programming to occur via outreach and in KCLS libraries. The first Makerspace, which provides dedicated open workspace and technology for creative learning opportunities, opened in the Bellevue Library in 2018 and construction began on a new space in Federal Way Library in 2019 (scheduled to open in 2020). Demand for ideaX programming remains high and programs continue to fill to capacity. Staff are delighted to hear ideas and suggestions from the community that inform new programming.

# 2019 STORIES

## Summer Reading

Summer Reading continues to be one of our largest programs—thanks to your generosity! Summer Reading supports and encourages patrons of all ages to read through book giveaways, reading challenges, and prizes. This was KCLS’ second year of incorporating all ages into the Summer Reading program and patrons continued to be enthusiastic.

Foundation funds enabled Summer Reading to go beyond the library into day cares, community centers, parks, summer camps, and more across the county. At the YMCA’s Camp Terry, the Summer Reading program created a paperback library for their **500 campers** and then gave away books in the last week of camp! Summer Reading reached **over 300 outreach sites** where **10,267 books** were distributed to high needs youth.

In 2019, the Summer Meals program distributed **8,243 meals** across 14 library sites, helping to feed growing minds and bodies when school lunches aren’t available. At the Carnation and Duvall Libraries, kids participated in STEM activities, stories, and songs and were served over 428 meals.

## Raising a Reader

Donations from our community paid for the books for Raising a Reader, a take-home book bag program that reaches low-income families where parents are English Language Learners. The program targets children under 5, which is when 90% of brain growth occurs, and provides age-appropriate materials that are tailored to suit the diverse cultural traditions, ethnic and linguistic demographics in King County. There was an end of year celebration in which families had the opportunity to meet their local children's librarian, participate in story time, and register for a library card. **In 2019, the number of families served increased from 173 to 230!**

## Global Reading Challenge/Otter Awards

Many schools in King County look to the library to help them engage students in reading, evaluating, and discussing books as part of the curriculum. The Global Reading Challenge is competition between 4th and 5th graders in different schools and the new OTTER Awards allow K-3 to read several chapter books and vote on them. Your gifts provide books for those classrooms as well as end of year celebrations! One school reported back that the Global Reading Challenge is **“so important because it gives all students an opportunity to shine, especially those who aren't sports-oriented, and it also encourages those who want to achieve but maybe haven't excelled in school the way they want to.”**

# 2019 STORIES

## Welcoming Center for New Americans

The Welcoming Center for New Americans was launched in May 2019 at the Kent Library. The Welcoming Center has offered a wealth of resources, encouragement, and social connections to help immigrants transition to their new lives. This has included weekly "Ask a Welcoming Ambassador" sessions, monthly Immigration Legal Clinic, and monthly Family Social Time. New residents can drop in to receive legal, financial and job-search assistance, as well as information about housing, transportation, health services, and pathways to citizenship.

## Programs for Spanish-Speakers

There are more than 100,000 Spanish-speakers in King County and the KCLS Foundation sponsored many programs, including Día and Fiestas, that celebrate multiculturalism while encouraging a lifelong love of reading. This was the third year of Plaza Comunitaria which supports adult learners in earning their GED-equivalent from the Mexican Consulate, helping them achieve the next step in their career and education. In 2019, Plazas celebrated 8 graduates! As part of National Hispanic Heritage Month, the entrepreneur fair for Latinx leaders brought over 60 participants to the Renton Highlands Library for networking, resource tables, and a panel discussion.

## Older Adults: Music, Memory, and Virtual Reality

In 2019, your donations sponsored programs incorporating music and virtual reality for older adults to help maintain memories and create meaningful connections. One virtual reality participant said **“This is stupendous! Oh, I love it! More more! It’s just like you’re there!”** after exploring outdoor scenes through virtual reality. This program also invested in training for life enrichment staff at retirement communities to learn how they can continue using the library’s resources for reminiscence activities.

# LITERARY LEGENDS SOCIETY

## Featured Story: Nancy and Howard Johnson

For Nancy and Howard Johnson, who recently celebrated their 33rd wedding anniversary on San Juan Island, their love of libraries comes naturally. "My father was an educator and my mother had us reading early. We spent our summers in Friday Harbor and if we weren't at the seashore, you'd find me and my sister in the library," explains Nancy. "I swear we read every book in that library! We loved reading."

Howard's family also loves books and his grandparents were avid book collectors whose collection included a first edition of Alice in Wonderland and a 15th century Bible.

"I think KCLS is amazing," Nancy says, "And I love our small local branch in Lake Forest Park."

Nancy loves libraries so much that for her birthday two years ago, she asked Howard for her own Little Free Library. "I was so excited for the ribbon cutting. Howard turned it into a surprise birthday party for me and my friends and family all brought books which filled the shelves of my library. It was so special." Two years later, Nancy is thrilled that the community has now made it their own.

Last summer, Nancy and Howard notified KCLS Foundation that they added the Library Foundation in their estate plan and are new members of the Literary Legends Society.

"Books are a wonder and we can't imagine a future without libraries," says Nancy. Howard adds, "We believe in literacy and want to support the library in any way we can. We delight in our annual philanthropy and our planned giving. The KCLS Foundation is a natural for us in both aspects".

You!*

Just as library cataloguers are sticklers for accuracy, we too strive to ensure we have appropriately recognized all donors.

We apologize for any omissions or errors and encourage you to notify the KCLS Foundation with any corrections.
